Luke and Kyla

God called Luke and Kyla to serve in the Czech Republic in 2017. Their heart is to reach the lost, specifically the younger generation of Czechs. They lead weekly Bible studies and youth group events.

Since February their ministry shifted a lot of its focus to helping refugees arriving in the city. They have helped with practical needs for refugees in Brno as well as sending supplies to Ukraine and Poland. They continue their efforts in reaching the Czechs through a social media outlet called, M2M, that helps people engage in reading the Bible.
